

S M Perren Award - announcement

http://www.esbiomech.org/?page_id=333

Dear ESB members

- I would like to announce that the submission phase for the **S.M. Perren Research Award** is now open.
- This award is for a winning research paper to be published in the J Biomechanics based on original and previously unpublished research.
- Contesting papers should fully conform to a format required for the *Journal of Biomechanics*.
- The award is open to all areas of biomechanics research and to both members and non-members. To gauge the scope, the content and the suitability of your idea please visit the ESB web pages and view past winning articles: http://www.esbiomech.org/?page_id=333
- The winner (first author of the article) will be required to give a presentation in our next ESB congress in Boston (S.M. Perren Award Lecture)
- The prize for this award includes a honorarium of 10,000 Swiss francs (approx. €6,000) sponsored by the [AO Foundation](#) in Davos, Switzerland, and a certificate which is presented after the S.M. Perren Award Lecture at ESB Congress.
- Papers in consideration for the S.M. Perren Research Award should be submitted directly to the *J.Biomechanics* submission portal (<http://www.journals.elsevier.com/journal-of-biomechanics/>) and should be flagged against **Choose Article Type: S M Perren– ESB award article**
- Deadline for submission of manuscripts is: **February 15th 2014**.
- The reviewing process will be completed at least 2 months in advance of the ESB congress (July 6 – 11, 2014, Boston, USA) and the winner will be notified by May 15th.

The screenshot shows the 'Journal of Biomechanics' submission portal. The page title is 'New Submission'. On the left, there are links for 'Frequently Asked Questions', 'Select Article Type', and 'Enter Title'. The main content area is titled 'Please Select an Article Type' and contains the following text:

Selecting an Article Type is Required for Submission.

To submit your article to this journal, you need to complete all submission steps and approve the PDF that the system creates. Please note that submissions that have not been completed will be removed after 90 days. [more...](#)

Please select the Article Type of your manuscript from the drop-down menu. The **Guide for Authors** lists the journal's requirements. To read the **Guide for Authors**, click the link in the banner at the top of each page.

You may also view the [Tutorial for Authors](#) for help with each submission step.

Please note the word limit for Full Length Articles is 3500 words and Short Communications is 2000 words.

NB Manuscripts that exceed the word count limit will be sent back to the author to be shortened.

For further help with this submission step, please visit our [online support site](#).
